

Côre

Côre captura el alma serena de la piedra caliza. Es una superficie que respira calma, con una textura sutil que se revela bajo la luz. Su paleta de colores neutros, inspirada en los paisajes bañados por el sol del Mediterráneo, crea una base de elegancia silenciosa.

Côre captures the serene soul of limestone. It is a surface that breathes calm, with a subtle texture that reveals itself under the light. Its neutral color palette, inspired by the sun-drenched landscapes of the Mediterranean, creates a foundation of quiet elegance.

Côre capture l'âme sereine du calcaire. C'est une surface qui respire la tranquillité, avec une texture subtile qui se révèle à la lumière. Sa palette de couleurs neutres, inspirée des paysages baignés de soleil de la Méditerranée, crée une base d'élégance silencieuse.
